SGR-6 & SGR-13

HANDLEBAR STUMP GRINDERS

Simple Stump Grinding for Property Work

For at home property maintenance and landscape work where stumps need to be removed quickly, the Toro® SGR-6 and SGR-13 offer a straightforward solution. Designed to be easy to transport, position, and operate around homes and tight yards, they help reduce time spent digging and chopping. The result is cleaner sites, faster job completion, and a smooth transition to the next step of the project.

QUICK TO SET UP

Easy to position around stumps in tight residential spaces.

LEAVES CLEAN RESULTS

Helps remove stumps efficiently so sites are ready for restoration.

EASY TO OPERATE

Straightforward operation supports confident use by crews and rental customers.
