

eHoverPro[®]
SLOPE MOWER

F E A T U R E S

Performance

- Zero engine emission solution to maintaining slopes and contoured surfaces, ideal for around golf course bunkers and tee boxes.
- Effective airflow, weight balance and low hand-arm vibration optimize operator comfort and productivity.
- Steel blade cutting system provides superior cutting performance, compared to nylon trimmer line alternatives.

Power & Durability

- Exceptionally strong and light weight ABS injection-molded deck.
- Fully interchangeable with our range of professional 60V hand-tools, maximizing versatility and flexibility of your investment.

Productivity

- Better control and greater stability in extreme conditions and difficult cutting areas.
- Ideal for mowing slopes, hillsides, around water obstacles in both residential and professional environments, even on slopes up to 45 degrees.

Go-anywhere hover mowers, now with zero-engine emissions.

The eHoverPro offers the ideal solution to mowing areas where typical wheeled mowers aren't able to go, and a high-quality after cut appearance is desired.

Featuring a powerful 60V* (2kW) motor propelling a high-capacity impeller and steel cutting blade for optimized hover and cutting capability, the eHoverPro provides the contemporary, zero-engine emission solution to maintain slopes and contoured surfaces up to 45-degrees.

Maximize commonality and battery investment, the eHoverPro is fully compatible with our extensive range of Flex-Force Power System™ tools, batteries and chargers to suit your specific needs.

eHoverPro®

The eHoverPro offers the ideal solution to mowing areas where typical wheeled mowers aren't able to go and a high quality after cut appearance is desired.

	eHOVERPRO 450 MODEL 02614T*
TOOL ONLY OR KIT	Tool Only - Battery & Charger sold separately
ENGINE/MOTOR	60V** (2.0 kW) Brushless
DRIVE SYSTEM	Push
STARTER	Push Button
BATTERIES (RECOMMENDED)	L405 (7.5Ah) minimum, L540 (10Ah) recommended
CHARGER (RECOMMENDED)	60V Max** Li-Ion Battery Quick Charger
CUTTING WIDTH	18" (46 cm)
BLADE DESIGN	Steel Blade
DECK MATERIAL	ABS Polymer
HEIGHT OF CUT	0.7 - 1.18 inch (18 - 30 mm)
SLOPE ANGLE	45°
WEIGHT (W/O BATTERY)	35.2 lbs (16.0 kg)
OVERALL HEIGHT	55.5" (1410 mm)
OVERALL WIDTH	22.6" (574 mm)
OVERALL LENGTH	28.1" (716 mm)
WARRANTY	2-Year Limited Warranty
HI-RISE KIT	02619
TRANSPORT WHEELS	02622
EXTENSION HANDLES	02630

eHoverPro Accessories

Hi-Rise Kit – bolts to existing deck to increase height of cut by 1.4" (3.5 cm)

Transport Wheels – maneuver your HoverPro with less effort

Extension Handles – makes working on slopes even easier
