Choose Toro Total Care for Ultimate Peace of Mind

Benefit from an extended warranty, maintenance reimbursement, and more.

TIME SAVING WITH NO RESTARTS

Finish jobs up to 40% faster^{^^} with the 30" deck. Step away from your mower to move tree branches or tools without having to restart each time with Blade Spin-Stop™.

^{*}Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load. [†]Run time varies based on usage conditions. Max run time specs based on light conditions and/or lowest speed settings.

¹The gross torque of this engine was laboratory rated at 2600 RPM per SAE J1940 by the engine manufacturer. As configured to meet safety, emission and operating requirements, the actual engine torque on these mowers may be significantly lower.

²Space savings are in relation to the space consumed by a Toro 22" walk power mower stored with the handle in the standard operating position. ^{^^}Time savings via wider cutting path and enhanced speed of TimeMaster[®] vs. 21" Toro[®] mower, and will vary due to mowing conditions. ^{**}See dealer for complete warranty details and for Guaranteed to Start Warranty (GTS) warranty details and limitations. We reserve the right to improve our products and make changes in the specifications, designs and standard equipment without notice and without incurring obligation.
