» Enhanced or step-up feature

*The gross horse power of these gasoline engines was laboratory rated by the engine manufacturer in accordance with SAE J1940 or SAE J1995. As configured to meet safety, emission and operating requirements, the actual horsepower on these mowers may be significantly lower.

**See your retailer for warranty details. †Time savings based on survey of consumers who purchased TimeCutters from 1/1/18-9/30/19. Time savings will vary.

COMFORT. GAME ON.

The gaming-style seat gives you big time support exactly where you need it.
